

Recycling

What should go *into your Yellow Bin*

Steel and aerosol cans

Aluminium cans and foil containers

Glass bottles and Jars

Paper products; newspapers, magazines, phonebooks, cardboard, milk and juice cartons

Hard plastic containers and bottles with *recycling symbols 1-7* (check containers for the following symbols)

- Do not bag your recycling
- Return plastic bags to your supermarket to be recycled
- Glass other than jars and bottles goes into your rubbish
- Metals other than food or aerosol cans can go to your Transfer station

Your Yellow Bin is ***NOT*** for...

- | | | |
|--|----------------------------|-----------------------------|
| x General rubbish (refuse) | x Vacuum cleaner dust | x Nappies |
| x Garden waste (lawn clippings, weeds, branches) | x Electrical products | x Fire ash |
| x Plastic bags / Soft plastics | x Wood / Shavings / Dust | x Bail twine |
| x Clothes / Fabric | x Scrap tin / Iron / Steel | x Silage wrap |
| x Polystyrene | x Animal droppings | x Rubber |
| x Non-recyclable plastics | x Window glass | x Fluorescent / Light bulbs |
| | x Carpet / Foam | x Wire of any kind |

...and ***NO*** soft plastics
